A building permit for the first phase of [HealthSpring Inc.](#)'s expansion in MetroCenter was issued Monday.

A \$9.3 million permit to construct a 102,000-square-foot, one-story building was issue to [T.W. Frierson Contractor](#), which will handle construction.

A second phase will include a 68,496-square-foot building. As part of a [\\$53 million expansion](#), [HealthSpring](#) expects to create 300 jobs over the next five years while consolidating its operations.

The buildings will be owned by Southeast Venture LLC, which will lease the properties to HealthSpring.
