A new office building is going up in Green Hills.

Ewing Properties Development is preparing to build a 26,600-square-foot office building at 3807 Bedford Avenue, an area located behind The Mall at Green Hills. The two-story building is being built speculatively, though **Ed Ewing** is to have an office inside.

A building permit for the project, valued at \$3.8 million, was issued Wednesday to [T.W. Frierson Contractor](#), Inc.

Del Hickman, a principal with T.W. Frierson, said construction on the building, known as Astoria, should be complete by the end of summer.
