T.W. Frierson Contractor named volume builder of year

Nashville Business Journal - May 9, 2001

T.W. Frierson Contractor, a general contracting company, reached the \$40 million sales level and was named regional Volume Builder of the Year by the Buildings Division of Butler Manufacturing Co. Frierson, located at 1330 Murfreesboro Road, was established in 1958 and has been marketing and building Butler buildings since 1971. Kansas City, Mo.-based Butler is a leader in the development and manufacturing of pre-engineered metal building systems.
